**CATERING AVAILABLE**

**CURIOSITY CORNER**

**Hushpuppies?** Legend has it that years ago Southern Ladies would toss out chunks of fried corn meal to the hounds to keep them from barking. As the toss was made the dogs were admonished with the directive, "hush puppies!"  
**Brunswick Stew?** Origin? Some claim it originated in Brunswick County, Virginia. Others claim it hails from Brunswick, Ga. But because Bobby Q. Pig is a Tarheel, we cling to the belief it was first developed in Brunswick Co., North Carolina. Wherever it began, it remains a tantalizing taste treat.  
**BBQ Beans?** Do people actually Barbeque Beans? Not Really, they would fall through the grill gates. But, our Special blend of beans, sauces and spices are simmered for hours with ample chunks of hickory smoked pork, molasses and brown sugar! A true delight!  
**Barbeque?** Look this one up in the dictionary seems like everyone has their own definition. Let us know how ours compare!?!?
